Hon. Magistrate Judge Lisa Margaret Smith
United States District Court
Southern District of New York
300 Quarropas Street
White Plains, New York 10601

Re: Can't Stop Productions, Inc. v. Sixxus, Ltd., et al.
17 Civ. 06513 (CS)(LMS)

Dear Magistrate Judge Smith:

I am the attorney for Can't Stop Productions, Inc., the plaintiff in the above-captioned action.

In contemplation of the status conference ordered by the Court to be held on Friday, November 9, 2018 at 12:00 p.m. in Courtroom 520, request is hereby made for permission to bring to the conference an I-pad and projector. (The request form is attached hereto)

In my October 25, 2018 letter to the Court (Seibel, J.) I requested a conference before the Court to discuss the manner in which the Sixxus defendants have been using the Village People trademarks during the pendency of the current motion to determine whether a settlement agreement has been entered into in this action. I suggested that the Court's analysis of footage available on the Internet of two Sixxus concerts might be helpful in assisting the parties in this dispute. You have, in response, scheduled the conference.

I believe it may be helpful if at the conference I can project the two pieces of concert footage so that all those present will have a better view of them. For this reason, I ask for permission to bring the I-pad and projector.

Respectfully submitted,

Stewart L. Levy
